OXFORD

What are the *New English File Level Tests*?

There are three Level Tests, which correspond to *New English File Elementary*, *New English File Pre-intermediate*, and *English File Intermediate*. The tests cover a representative sample of the contents of each level.

What do the tests contain?

Each test contains 40 multiple-choice questions. Most of the questions test grammar at different levels of difficulty. However, some questions also test vocabulary and expressions which occur at that level of *New English File*.

What else is required?

Students will require a pen or a pencil to complete the tests. You will need to refer to the Answer Key on pages 9 and 10 to mark the tests.

How do the tests work?

There are two versions (**A** and **B**) of each test. If your students don't copy each other then you can just use the **A** tests. If your students do copy each other then put them in pairs, one with an **A** test and one with a **B** test – it's almost impossible for them to copy each other's answers. (The **A** and **B** tests cover exactly the same material, but the questions have been changed and reorganized.)

Each student should take at least two of the *New English File Level Tests*. This should take approximately 30 minutes.

- To indicate whether a student should follow the *New English File Elementary* or *New English File Pre-intermediate* course, apply **Test 1A** (p.3) or **Test 1B** (p.4), and **Test 2A** (p.5) or **2B** (p.6).
- To indicate whether a student should follow the *New English File Pre-intermediate* or *English File Intermediate* course, apply **Test 2A** (p.5) or **Test 2B** (p.6), and **Test 3A** (p.7) or **3B** (p.8).
- If you have no previous indication of a student's ability, start by applying **Test 1A** or **1B**, and **Test 2A** or **2B**.

A student scores one point for each correct answer. The total for each test can be written in the box provided.

How are the scores interpreted?

These scoring criteria should determine each student's level:

- **If a student has taken Test 1A or 1B, and Test 2A or 2B**, add together the scores to give a total out of 80.
 - **A score of 0–40 points** indicates a student should take *New English File Elementary* level.
 - **A score of 41–80 points** indicates a student should take *New English File Pre-intermediate* level.

- **If a student has taken Test 2A or 2B, and Test 3A or 3B**, add together the scores to give a total out of 80. (Discard their score on **Test 1A** or **1B** if the student has previously taken this test.)
 - **A score of 0–40 points** indicates a student should take *New English File Pre-intermediate* level.
 - **A score of 41–80 points** indicates a student should take *English File Intermediate* level.

Note: The tests are intended to give a clear indication of how well a student would cope with the content of *New English File Elementary*, *New English File Pre-intermediate*, or *English File Intermediate*. However, it is advisable to confirm the results with oral interviews if there is time available. Borderline cases will always occur, so students scoring 30–50 should be monitored closely at the start of their course.
